INDEX TO VOLUME VI

PAGE

Acker, George N.: Parotitis complicated with meningitis 399
Atmospheric conditions, influence of, on the mortality of infants suffering with gastro-intestinal disorders 319
Bacillus abortus. Experiment with raw and heated cow's milk and its lesson, children and infants 326
Bacillus abortus. Experiment with raw and heated cow's milk and its lesson, with comments on B. abortus 334
Bierring, Walter L.: Status thymolymphaticus with report of four cases in one family 75
Blackader, A. D.: Mucous cyst of the cecum in an infant ten weeks old, producing obstruction of the ileocecal valve and symptoms simulating an intussusception 99
Blackfan, Kenneth D.: A study of the Wassermann reaction in one hundred infants 162
Bleyer, A. S.: The influence of atmospheric conditions on the mortality of infants suffering with gastro-intestinal disorders 319
Blood of children and infants, complement-fixation reaction of the, using the bacillus abortus as antigen 326
Blood: simple syringe transfusion with special cannulas 28
Bosworth, A. W.: Casein in infant feeding. Experiments in exact percentages 394
Bowditch, Henry I.: Casein in infant feeding. Experiments in exact percentages 394
Brown, Alan: Luetin reactions in infancy 171
Brown, Alan: Results with salvarsan in hereditary syphilis 174
Campbell, Geo. A.: Results of treatment with salvarsan in late congenital syphilis 187
Cardiac disease in childhood, with special reference to prognosis 104
Casein in infant feeding. Experiments in exact percentages 394
Cecum, mucous cyst of the, in an infant ten weeks old, producing obstruction of the ileocecal valve and symptoms simulating an intussusception 99
Circulatory system, résumé on the 131
Clark, H. C.: A case of congenital cyst of the thyroid gland, in a child aged 1 year, producing death by asphyxiation 408
Clinton, Marshall: The diagnosis of intussusception by x-ray 93
Collins, Arthur N.: Urinary lithiasis in infancy 245
Complement-fixation reaction of the blood of children and infants, using the Bacillus abortus as antigen 326
Cowie, D. M.: A rapid clinical method for the estimation of total fat in infants' stools 192
Craster, C. V.: Analysis of one thousand cases of epidemic measles 122
Cyst, congenital, of the thyroid gland, a case of, in a child aged 1 year, producing death by asphyxiation 408
Dana, Richard T.: Formula for the determination of the surface area of infants 33
DeBuys, L. R.: Roentgen ray in pyloric obstruction 344
Diarrhea, summer heat and 289
Diphtheria, is it frequently a bacteriemia? 23
Dunn, Chas. Hunter: Cardiac disease in childhood, with special reference to prognosis 104
Duodenal ulcers in infancy 381

PAGE

Dyspituitarism 145
Ear, résumé of the literature on the..... 363
Esophagus, occlusion of the, in early life, three types of..... 1
Farmer, Alfred G.: A case of congenital cyst of the thyroid gland, in a child aged 1 year, producing death by asphyxiation 408
Fat, total, in infants' stools, a rapid clinical method for the estimation of.. 192
Feeding, infant, casein in. Experiments in exact percentages..... 394
Feldstein, Samuel: Résumé of the recent literature on meningitis (not including meningococcus meningitis) 199
Freeman, Rowland G.: The diagnosis and treatment of pyelitis in infancy... 117
Friedlander, Alfred: The diagnosis and treatment of enlarged thymus..... 38
Gastric secretion of infants at birth..... 264
Gastro-intestinal disorders, the influence of atmospheric conditions on the mortality of infants suffering with..... 319
Goodrich, J. A.: Status thymolymphaticus, with report of four cases in one family 75
Heart, needle in the, fifteen months; death; autopsy..... 87
Heat and summer diarrhea 289
Hecker, R.: Cytological and clinical observations during the incubation period of measles 413
Heiman, Henry: Résumé of the recent literature on meningitis (not including meningococcus meningitis) 199
Hess, Alfred F.: The gastric secretion of infants at birth..... 264
Holt, L. Emmett: Duodenal ulcers in infancy 381
Holt, L. Emmett: Results with salvarsan in hereditary syphilis..... 174
Holt, L. Emmett: Wassermann reaction in hereditary syphilis, in congenital deformities and in various other conditions in infancy..... 166
Hubbard, W. S.: A rapid clinical method for the estimation of total fat in infants' stools 192
Howland, John: A formula for the determination of the surface area of infants 33
Index to Current Pediatric Literature.....57, 137, 215, 285, 372, 440
Intussusception, diagnosis of, by x-ray..... 93
Kyle, D. Braden: Review of the literature on nose and throat with reference to children 277
Larson, W. P.: Complement-fixation reaction of the blood of children and infants, using the bacillus abortus as antigen..... 326
LeWald, Leon Theodore: Further study of the anatomy and physiology of the infant stomach based on serial Roentgenograms..... 232
Lewis, D. M.: The cell content of milk..... 225
Lindeman, Edward: Simple syringe transfusion with special cannulas.... 28
Lithiasis, urinary, in infancy 245
Lucas, William Palmer: A review of recent work on measles..... 412
Luetin reaction in infancy 171
Measles, cytological and clinical observations during the incubation period of 413
Measles, epidemic, analysis of one thousand cases of..... 122
Measles, a review of recent work on..... 412
Meningitis, parotitis complicated with..... 399
Meningitis, résumé of the recent literature on (not including meningococcus meningitis) 199
Metabolism of the child, the influence of activity on the..... 15
Milk, cow's, raw and heated, an experiment with, and its lesson. With comments on bacillus abortus 334
Milk, the cell content of..... 225
Mucous cyst of the cecum in an infant ten weeks old, producing obstruction of the ileocecal valve and symptoms simulating an intussusception.. 99
Murschhauser, Phil. Hans: The influence of activity on the metabolism of the child 15

Nicholson, Jr., S. T.: A study of the Wassermann reaction in one hundred infants 162
Nicoll, Jr., Matthias: Is diphtheria frequently a bacteriemia?..... 23
Northrup, W. P.: Needle in the heart fifteen months; death; autopsy..... 87
Nose and throat, review of the literature on, with reference to children..... 277
Pancreatic insufficiency 65
Parotitis complicated with meningitis 399
Pisek, Godfrey R.: The further study of the anatomy and physiology of the infant stomach based on serial roentgenograms..... 232
Porter, Langley: Pancreatic insufficiency 65
Pediatrics, progress in.....38, 131, 199, 277, 363, 412
Pyelitis in infancy, diagnosis and treatment of..... 117
Pyloric obstruction, the Roentgen ray in..... 344
Reuben, Mark S.: Dyspituitarism 145
Roentgen ray in pyloric obstruction..... 344
Rotch, Thomas Morgan: Three types of occlusion of the esophagus in early life 1
Salvarsan, results of treatment with, in late congenital syphilis..... 187
Salvarsan, results with, in hereditary syphilis..... 174
Schlossmann, Arthur: Influence of activity on the metabolism of the child... 15
Schroeder, E. C.: An experiment with raw and heated cow's milk and its lesson. With comments on bacillus abortus..... 334
Sedgwick, J. P.: Complement-fixation reaction of the blood of children and infants, using the bacillus abortus as antigen..... 326
Smith, Richard M.: Vulvovaginitis in children..... 355
Smith, S. Mac Cuen: Résumé of the literature on the ear..... 363
Snow, Irving M.: Diagnosis of intussusception by x-ray..... 93
Status thymolymphaticus, with report of four cases in one family..... 75
Stomach, infant, further study of the anatomy and physiology of, based on serial roentgenograms 232
Strathy, Geo. S.: Results of treatment with salvarsan in late congenital syphilis 187
Summer diarrhea and heat 289
Surface area of infants, a formula for the determination of the..... 33
Syphilis, hereditary, results with salvarsan in..... 174
Syphilis, hereditary, the Wassermann reaction in, in congenital deformities and in various other conditions in infancy..... 166
Syphilis, late congenital, results of treatment with salvarsan in..... 187
Thymus, enlarged, diagnosis and treatment of..... 38
Thyroid gland, case of congenital cyst of, in a child aged 1 year, producing death by asphyxiation 408
Transfusion, simple syringe, with special cannulas..... 28
Urinary lithiasis in infancy 245
Vulvovaginitis in children 355
Wassermann reaction in hereditary syphilis, in congenital deformities and in various other conditions in infancy..... 166
Wassermann reaction in one hundred infants, a study of the..... 162
White, T. Wistar: A study of the Wassermann reaction in one hundred infants 162
Wilcox, Harriet, L.: Is diphtheria frequently a bacteriemia?..... 23
Young, J. Herbert: Résumé on the circulatory system..... 131
Zahorsky, John: Heat and summer diarrhea 289
